

UPMC Horizon and UPMC Jameson are planning a **PINK EVENT** (**P**revention, **I**nspiration, **N**urture, **K**nowledge – a breast cancer fundraiser) on **Sunday, October 21, from 1-4pm at The New Englander in New Castle PA.** It's a free event and will feature an Exhibitor Marketplace, 50/50, the Sherry Chessin Fashion Show, Basket Raffles, refreshments and opportunities to learn more about the regional resources now available for women in Mercer and Lawrence counties.

This is where you come in....The **PINK** Committee is asking local businesses to help support the cause by donating a themed basket or gift certificate for the Basket Raffle. Please include a list of items in the basket, an estimated value and your business name. These baskets will be on display in the hospital prior to the **PINK Event** so that the staff and visitors will have an opportunity to purchase raffle tickets. The drawing will take place at the **PINK**, you do not need to be present to win.

Please contact either Cyndee Adamo, UPMC Jameson at 724-656-4112 or Joni Murray, UPMC Horizon at 724-983-7505 by September 17th to make arrangements for drop off or we can make arrangements for pick up.

Save the Date...See you at the **PINK!**
